A Little Bit About Me

I'm a (web-)designer & photographer with 5+ years of experience. Proficient in most Adobe programs, Figma, Wordpress and other major design software. I love creating visuals and content that truly stand out and connect with people. Whether it's crafting something bold or subtle, I focus on the details and am passionate about delivering designs that make an impact.

Interests & Hobbies

In my free time, I enjoy photography, cinematography, painting, and trying new creative mediums (e.g. woodworking and sewing) I also love hiking, it fuels my creativity for all these passions, providing fresh inspiration and new perspectives.
